**AMEND Senate Bill No. 2764**

**House Bill No. 2652\***

By designating the amendatory language of Section 1 as subdivision (f)(1) and by adding the following as a new subdivision (f)(2):

(2) For the purposes of this subsection, an endoscopy technician is a person who is trained to function in an assistive role in a gastroenterology setting. An endoscopy technician's scope of practice includes:

(A) Assisting in data collection to identify the patient's needs, problems, concerns or human responses;

(B) Assisting, under the direction of the gastroenterology registered nurse and physician, in the implementation of the established plan of care;

(C) Assisting the gastroenterology registered nurse and physician before, during, and after diagnostic and therapeutic procedures;

(D) Providing and maintaining a safe environment for the patient and staff by complying with regulatory agency requirements and standards set forth by professional organizations and employers;

(E) Taking responsibility for personal continuing education;

(F) Having knowledge of practice issues related to the field of gastroenterology;

(G) Compliance with ethical, professional and legal standards inherent in patient care and professional conduct;

(H) Participating in quality management activities as directed; and

(I) Collaborating within the gastroenterology team and other healthcare professionals to ensure quality and continuity of care.
